

The California Department of Parks and Recreation is pleased to provide you with the January 2002 update on the status of the 2000 Bond Act Programs administered by the Office of Grants and Local Services.

Riparian and Riverine Habitat Grant Program: The Procedural Guidelines including the application and additional program information are available on our web site at the [Riparian and Riverine Habitat Grant Program Page](#) or a hard copy can be requested by calling (916) 653-7423. Project applications must be received by **5:00 p.m. on; or, postmarked no later than Friday, February 1, 2002.**

Dr. Paul Chaffee Zoological Grant Programs: The Procedural Guidelines including the application and additional program information are available on our web site at the [Dr. Paul Chaffee Zoological Grant Program Page](#) or a hard copy can be requested by calling (916) 653-7423.

This program contains two separate programs. Eligibility and timelines vary depending on the program.

- 1) The Zoo and Aquarium Facilities Grant Program applicants must have current American Zoo and Aquarium Association accreditation by the **application deadline of April 1, 2002.**
- 2) The Wildlife Care Facilities Grant Program **application deadline is February 1, 2002. Project applications must be received by 5:00 p.m. on; or, postmarked no later than Friday, February 1, 2002.**

Murray-Hayden (Urban Youth Services) Grant Program: The Procedural Guidelines including the application and additional program information are available on our web site at the [Murray-Hayden Program Page](#) or a hard copy can be requested by calling (916) 653-7423. **Murray-Hayden Project applications must be received by 5:00 p.m. on; or, postmarked no later than Wednesday, May 1, 2002.**

Murray-Hayden Technical Assistance Workshops: In response to requests from potential applicants, The Department has announced technical assistance workshops for the Murray-Hayden Grant Program. These workshops are designed to take applicants through the complete grant application process and will cover all aspects of the Murray-Hayden Program. Information about accessing important data, maps, and other grant writing resources will be available.

The workshops will be conducted in two parts. The first will feature an overview of the Murray-Hayden Program and a detailed discussion of the grant application process. In the second part, Department staff will answer applicants' specific questions in small groups or on an individual basis.

Workshops are open to the public and are scheduled for the following locations:

(No reservations are necessary)
